

Upload all Assignments Submitted Assignment

Instructors may choose to give feedback directly on students' (downloaded) work. Instructors may upload all the students' feedback files at once in a zipped folder. Each student will receive their feedback file from the instructor when they reopen the assignment. This saves the instructor time.

Contents

- Marking Uploaded Assignments (Steps to ensure you are able to bulk upload marked assignments.)
- Steps to Upload all files submitted by students.

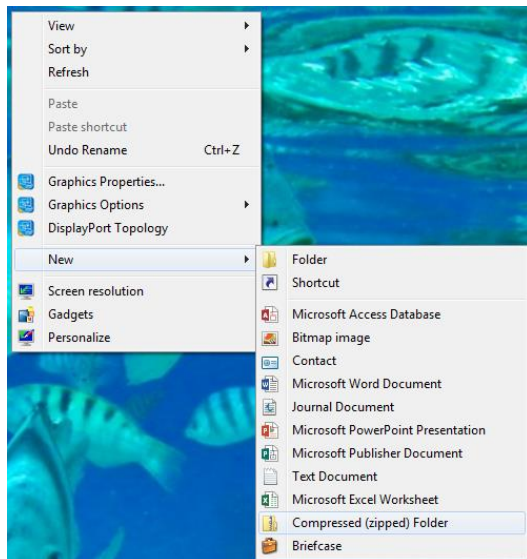

Marking Uploaded Assignments

1. Open the class folder containing all of the downloaded assignments (Please see directions on how to bulk download assignments uploaded to Moodle by students.)

2. Inside each student's folder, you will find their work. Add feedback to their work and click **Save**.

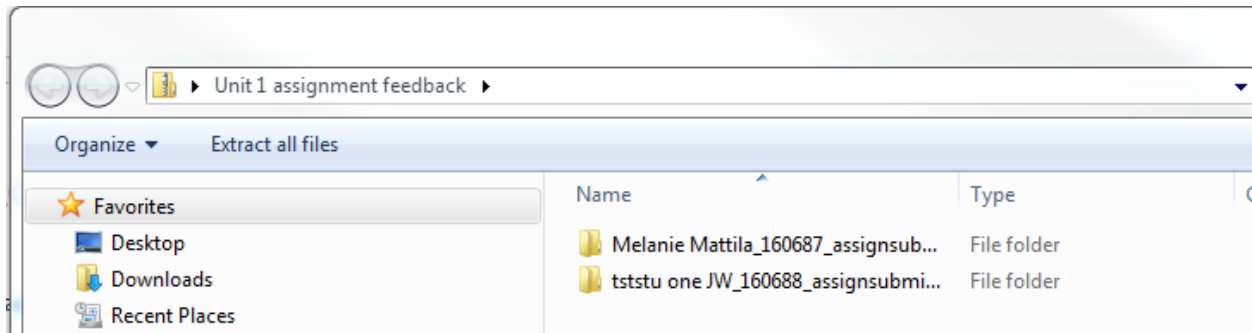

CAUTION: DO NOT change the names of the folders.

3. Create a new **zipped folder** on your desktop by right-clicking the desktop and selecting **New > Compressed (zipped) folder**.

Assignments- Upload all Feedback Files

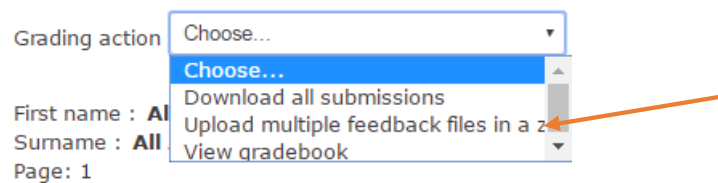

4. Drag and drop **each student's folder** into the zipped folder you just created.

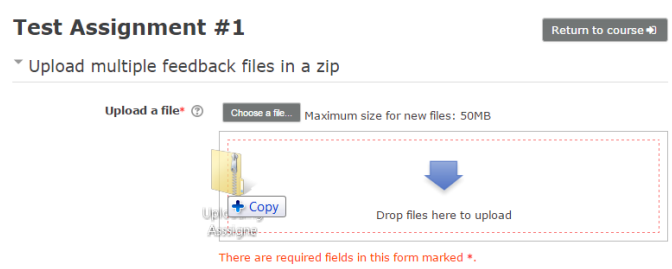

Upload all the Feedback Files

1. Go to the course home page.
2. Click on the **Assignments activities** on the course home page.
3. Click **View/grade all submissions**.

Test Assignment Rubric M

4. Choose **Upload multiple feedback files in a zip** from **Grading action**.
5. Upload a **zip file** by dragging and dropping or clicking the **Choose a file button**. Click on the **Import feedback file(s) button**.

6. Click on the **Confirm** button.

Assignments- Upload all Feedback Files

7. Click on the **Continue** button. The feedback files will be allocated to the Feedback files column.
