When you have completed the settings for your new assignment, click **Save and display**. The Advanced grading page will appear. You will be prompted to select whether you wish to **Define new grading form from scratch** or **Create a new grading form from a template**.

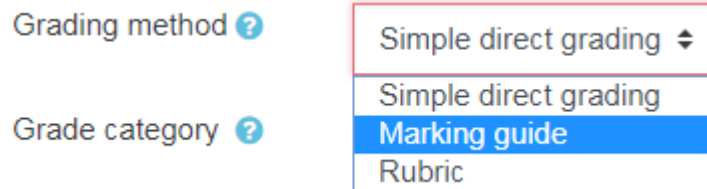

Follow directions below on how to add a **Marking Guide Method 2** to a pre-existing assignment starting at #7.

Create a Marking Guide for a pre-existing Assignment

There are two methods to change your marking method in an assignment to a **Marking Guide**.

Method One:

1. Go to the course home page.
2. **Turn editing on.**
3. Click on the **Edit settings** for the **Assignment** activity. Change the **Grading method** to **Marking Guide**.

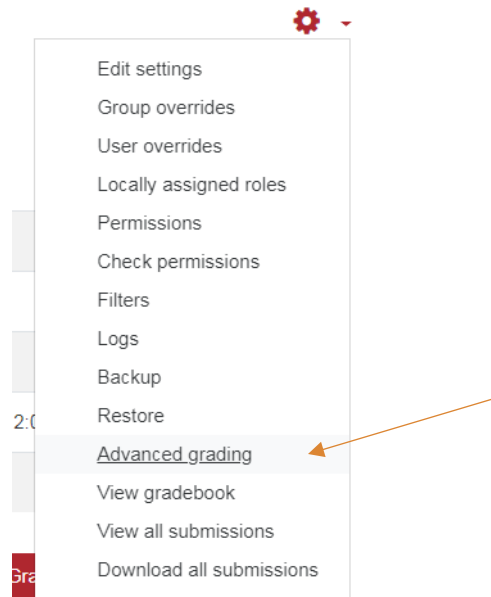

4. Click on **Save and display** and the Advanced grading page will appear. You will be prompted to select whether you wish to **Define new grading form from scratch** or **Create a new grading form from a template**.
5. Select **Define new grading form from scratch**.
6. Follow the directions below on how to add a **Marking Guide Method 2** to a pre-existing assignment starting at #7.

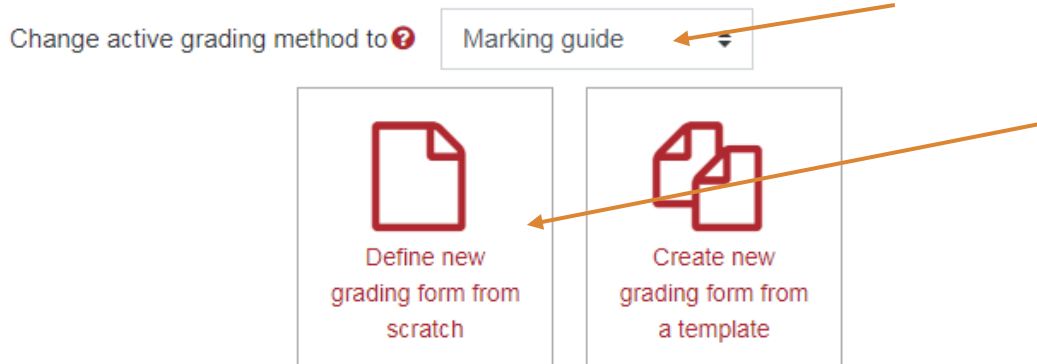

Method Two:

7. Go to the course home page.
8. Select the **Assignment** for which you would like to change your marking method.

9. The Settings button is 'intuitive'. It changes depending upon what page in Moodle you have open. Everything in the Settings menu pertains to the assignment you have selected. Click **Advanced grading**.

10. The Advanced grading page will appear. Set **Marking guide** for "Change active grading method to".

11. Click **Define new grading form from scratch**.
The **Marking Guide** settings page will appear.

12. Type a **Name**. Use a name that is easily identifiable so that you may reuse or edit the **Marking Guide** for other assignments.

13. Click on **Click to edit criterion name** in the **Marking guide** section and type a **criterion name**, **description**, and **maximum mark**. The **Description for Markers** is used when you have multiple markers. It is optional.
14. You can add new criterion by clicking on the **Add criterion** button.

15. Using the **frequently used comments** is an optional feature. If you regularly use the same comments when you are marking, this will speed up your marking.

13. You can add another "frequently used comment" by clicking on the **Add frequently used comments** button.

You spoke very clearly! Great job!

A little bit of stumbling, but overall spoke well. Good job!

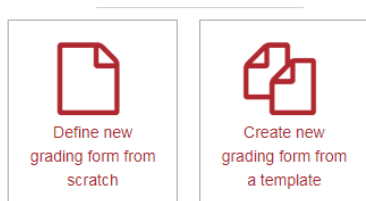

A fair bit of stumbling. I would suggest a couple practice runs before recording to feel more confident.
