

Using Marking Guides to Grade Assignments

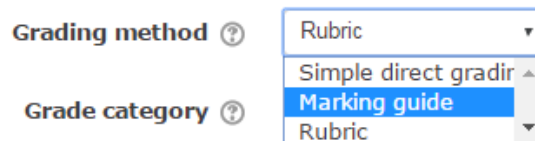

A marking guide is a grading method where a teacher enters a comment and grades per criterion.

Create a Marking Guide for a new Assignment

When creating a new assignment, refer to the directions on how to [Add a new assignment](#) and under **Grading method** select **Marking guide**.

The image shows a screenshot of the Moodle assignment creation form. The 'Grading method' dropdown menu is open, showing three options: 'Rubric', 'Simple direct grading', and 'Marking guide'. The 'Marking guide' option is highlighted in blue. The 'Grade category' dropdown menu is also visible, showing 'Rubric' as the selected option.

When you have completed the settings for your new assignment, click **Save and display**. The Advanced grading page will appear. You will be prompted to select whether you wish to **Define new grading form from scratch** or **Create a new grading form from a template**.

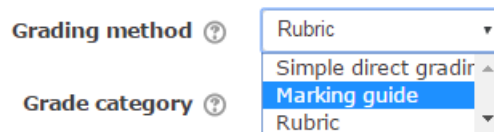

Follow directions below on how to add a **Marking Guide Method 2** to a pre-existing assignment starting at #7.

Create a Marking Guide for a pre-existing Assignment

There are two methods to change your marking method in an assignment to a **Marking Guide**.

Method One:

1. Go to the course home page.
2. **Turn editing on.**
3. Click on the **Edit settings** for the **Assignment** activity. Change the **Grading method** to **Marking Guide**.

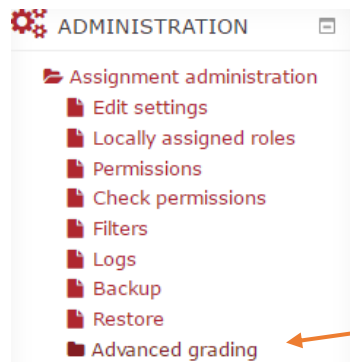

The screenshot shows the 'Grading method' and 'Grade category' dropdown menus. The 'Grading method' dropdown is open, showing three options: 'Rubric', 'Simple direct grading', and 'Marking guide'. 'Marking guide' is highlighted in blue. The 'Grade category' dropdown is also open, showing 'Rubric' as the selected option.

4. Click on **Save and display** and the Advanced grading page will appear. You will be prompted to select whether you wish to **Define new grading form from scratch** or **Create a new grading form from a template**.
5. Select **Define new grading form from scratch**.
6. Follow the directions below on how to add a **Marking Guide Method 2** to a pre-existing assignment starting at #7.

Method Two:

1. Go to the course home page.
2. Select the **Assignment** for which you would like to change your marking method.

3. The Administration block is 'intuitive'. It changes depending upon what page in Moodle you have open. Everything under Administration pertains to the assignment you have selected. Click **Advanced grading** under the **Administration** block.

4. The Advanced grading page will appear. Set **Marking guide** for "Change active grading method to".

5. Click **Define new grading form from scratch**.

The **Marking Guide** settings page will appear.

6. Type a **Name**. Use a name that is easily identifiable so that you may reuse or edit the **Marking Guide** for other assignments.

Essay structure
Non-traditional essay format flows smoothly, is active, and feels "finished" at the end

score /30

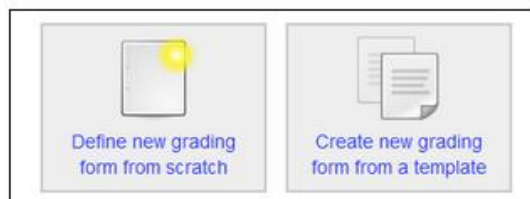

Frequently used comments

- Many spelling, grammar, and punctuation errors
- Some spelling and grammar errors
- Correct spelling grammar and punctuation

- Click on the score box and type grades.
- Type Feedback comments and attach a file, if it is necessary.
- Click on the **Save changes button** or the **Save and show next button**.

Use a Previously Created Marking Guide for another Assignment in a Moodle Course

- Click on another assignment.
- Click on **Advanced grading** under the Administration block.
- Click on the **Create new grading form from the template** button.

4. Check the **Include my own forms** checkbox and click on the **Search** button.

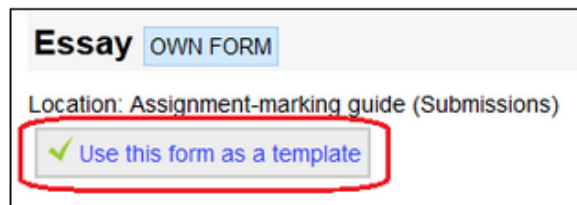

A screenshot of the 'Grading forms search' interface. It features a search bar with the text 'Grading forms search' and a magnifying glass icon. Below the search bar is a checkbox labeled 'include my own forms' which is checked. To the right of the checkbox is a 'Search' button.

5. The marking guides that you create will appear.
6. Choose the Marking guide by clicking the **Use this form as a template button** next to the Marking guide.

To Edit or Delete a Marking Guide

1. Go to the course home page.

A screenshot of the marking guide interface for an 'Essay' activity. The title 'Essay' is followed by a button labeled 'OWN FORM'. Below this, the location is specified as 'Assignment-marking guide (Submissions)'. A red rectangle highlights a button that says 'Use this form as a template' with a green checkmark icon.

2. Click on the **Assignment** activity.
3. Click **Advanced grading** under the Administration block.
4. To edit the Marking guide: click on the **Edit the current form definition** button.
To delete the Marking guide: click on the **Delete the currently defined form**.

A screenshot showing two buttons side-by-side. The left button has a pencil icon and the text 'Edit the current form definition'. The right button has a red circle with a diagonal line through it (a prohibition sign) and the text 'Delete the currently defined form'.
