

Upload all Assignments Submitted Assignment

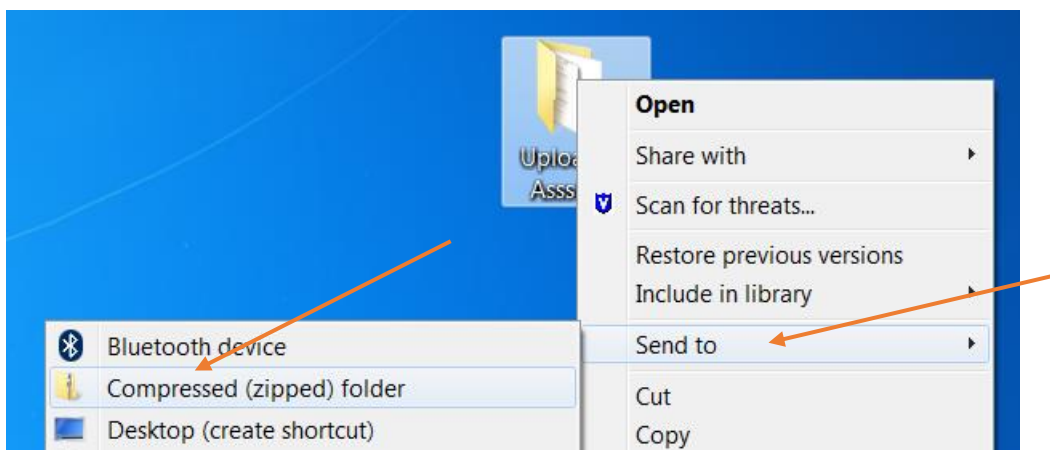

Instructors may choose to give feedback directly on students' (downloaded) work. Instructors may upload all the students' feedback files at once in a zipped folder. Each student will receive their feedback file from the instructor when they reopen the assignment. This saves the instructor time.

Contents

- Marking Uploaded Assignments (Steps to ensure you are able to bulk upload marked assignments.)
- Steps to Upload all files submitted by students.

Marking Uploaded Assignments

1. Open the downloaded assignment file on your computer. (Please see directions on how to bulk download assignments uploaded to Moodle by students.)
2. Create a new file for marked work.
3. When you finish giving feedback for a student's assignment, save the document as a **PDF** within the marked work file. Do not change the document names.
4. Zip the file. Right click on the File. **Click Send to > Compressed (zipped) folder.**

Upload all the Feedback Files

1. Go to the course home page.
2. Click on the **Assignments activities** on the course home page.
3. Click **View/grade all submissions**.
