

Logging into Moodle

Instructors don't need to create the courses on Moodle. Moodle courses are automatically created through People Soft.

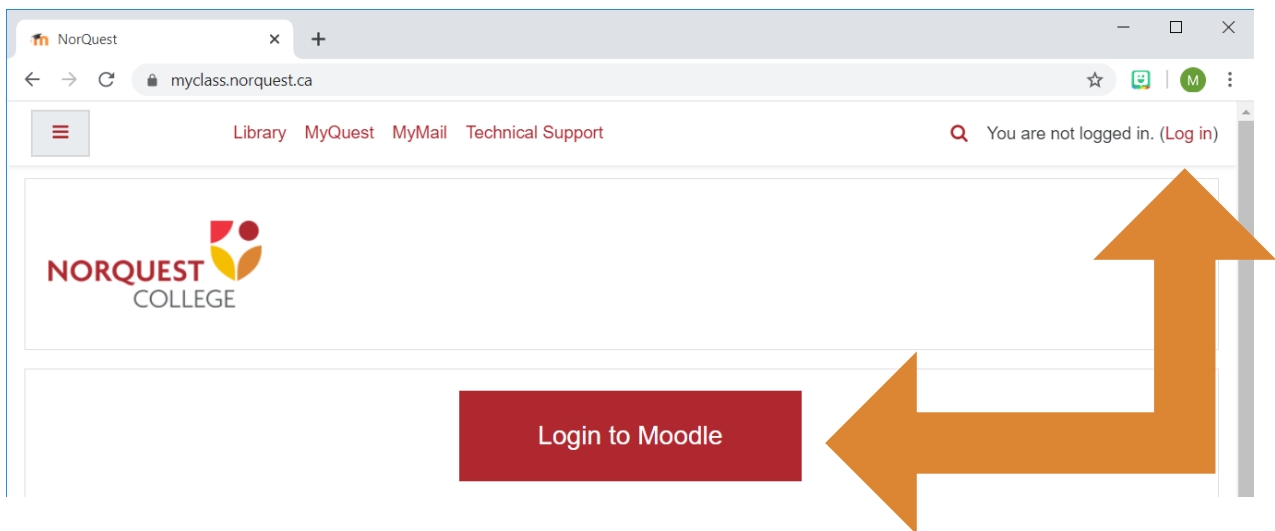

Before logging into Moodle, you will need to make sure you have a compatible browser. Please use: [Google Chrome](#) or [Firefox](#)

- Logging in to Moodle

Logging into Moodle

1. The NorQuest College Moodle address is <https://myclass.norquest.ca/>. When the page loads, click on **Login** located at the top right corner or the big red login button.

2. You will then need to enter your **username** and **password**:
 - Your **Username** is your first name and last name, separated by a period (firstname.lastname) or your whole NorQuest email address.
 - Your Password is the same as the password you use to log in to your work computer or email.

If you forgot your password, please contact **Service Desk**.

If you have any questions or require further assistance, please contact **Moodle Help** at moodle@norquest.ca
