

Resources: Page

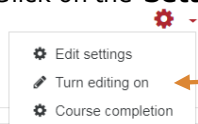

The page resource allows you to create a simple web page on your course home page. You can add graphics, embed YouTube video clips, embed sound files, and include links to other sites.

Contents

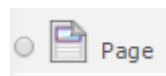

- Add a Page
- Edit a Page
- Delete a Page
- Notes

Add a Page

1. Go to the course home page.
2. Click on the **Settings button**, and then select **Turn editing on**.

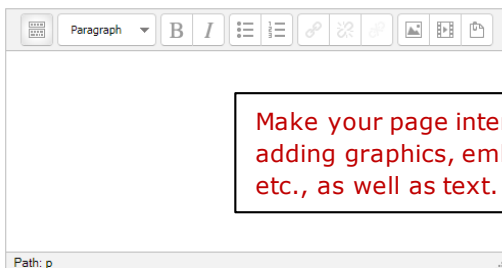

3. Click **Add an activity or resource**.
4. Click on the radio button next to **Page** and click on the **Add** button.
The "**Adding a new Page**" page will appear.

General

Name  Example Page

Description

Make your page interesting. Think about adding graphics, embedded videos, tables, etc., as well as text.
